

SPONSORSHIP OPPORTUNITIES

AUGUST 22-23, 2026

**EAA Chapter 292, Independence, Oregon
is proud to announce the**

2026 Wings Over Willamette Fly-In & STOL WARS

We are excited to announce our dates for Wings Over Willamette Fly-In & STOL WARS for August 22–23 2026. Our annual event brings together pilots from around the Pacific Northwest, aviation enthusiasts, and our local community to celebrate our shared love for aviation. As one of the premier EAA chapters in our nation with over 300 members in our local chapter, it is our honor to be able to host this annual fly-in & STOL competition and help raise funds for our EAA chapter, including our many youth aviation programs.

We invite you to join us as a sponsor and to play a crucial role in creating a memorable experience while supporting our mission to inspire the next generation of aviators. In addition to helping us host a dynamic event, your partnership provides excellent visibility among a highly engaged audience.

Our sponsorship package (attached) outlines several opportunities. We also welcome product donations for raffles to showcase your brand to attendees. If you have ideas for collaboration or specific ways to highlight your company, we're happy to discuss.

Together, we can make Wings Over Willamette build a stronger aviation community in our region. Thank you for considering this opportunity and look forward to partnering!

Please feel free to reach out to me directly with any questions you may have.

NOTE: Sponsorship commitment deadline for inclusion on promotional materials (primarily T-shirts) is April 15th, 2026. After that, promotion will be included wherever and whenever possible.

EAA CHAPTER 292 YOUTH PROGRAMS

Based in Independence Oregon, EAA chapter 292 is one of the premier EAA branch chapters with more than 300 members from all over the Willamette Valley. Our local chapter, along with the surrounding aviation community, come together to promote general aviation through educational programs for youth, aviation safety programs, access to workshops and build spaces, and much more. Our chapter members engage in building and restoration of aircraft, share and learn through safety programs, attend monthly meetings and events, and lead our youth related programs to help inspire future aviators.

Our youth programs include:

YOUNG EAGLES

Our Young Eagles Rally is held twice annually (June & September) to give young people, ages 8-18, an introduction to aviation principles with various hands-on activities, including a flight in a real airplane.

Young Eagles events are FREE but do require prior registration. Participants receive a Young Eagles certificate and an entry in their very own log book.

TEEN AVIATION WEEKEND

This FREE weekend workshop is tailored to teens (14 - 19 year olds) and offers opportunities to learn more about aerodynamics and aircraft construction.

Activities include:

- Exploring aviation history and airplane controls
- Building a model airplane
- Flying a simulator
- Plotting a course between airports
- Discussing aviation careers with industry professionals

TEEN BUILD PROJECTS

Youth ages 14 through high school can participate in our Teen Build Program which is on-going throughout the year.

Our technical experts mentor and supervise teens as they construct an actual kit plane. Teens learn how to read plans, fabricate parts, the proper use of tools, and how to register an experimental aircraft with the FAA.

SCHOLARSHIP OPPORTUNITIES

Learn to fly airplanes and gliders scholarships. Opportunity to attend, Air Venture, the largest airshow in the world.

SPONSORSHIP PACKAGE PROPOSAL

As a sponsor, your company will gain significant visibility throughout our marketing campaigns, event promotions, and day-of activities. Wings Over the Willamette is a standout aviation event in the Pacific Northwest, attracting enthusiasts and professionals alike. Our marketing efforts span online aviation communities, social media, and the EAA network, giving sponsors access to a broad and highly targeted audience.

Sponsorship Benefits

- Premier advertising in event marketing materials, including online promotions, event posters, and shirts
- Logo placement on event T-shirts (reserved for Gold Sponsors and above)
- Prime ramp space for aircraft or demo planes during both event days
- Sponsor announcements throughout the event
- Title sponsor exclusive breakfast or dinner “presented by” (limited to one sponsor space)
- High-visibility banner placement at the STOL competition sidelines
- Social media exposure with 2025 reach in excess of 140,000 impressions throughout Oregon, PNW, and surrounding regions.

Sponsors are encouraged to provide banners and printed materials for display. If needed, we can produce these materials for an additional charge.
